

This website is created and maintained by Hainan Tianchen Network Technology Co on behalf of Secure1475. Secure1475 reserves the right to update these Terms at any time without notice, and the user will be bound by such updates as well. By accessing and viewing this website content, registering as a user, downloading any materials from this website, or using the materials provided herein, any person agrees to abide by the following terms and conditions. These Terms constitute an agreement between Secure1475 and the user. If the user does not agree to abide by these terms, do not use this website. Secure1475 reserves the right to deny access to, or use of, this website to any user at any time and under any circumstances. Secure1475 reserves the right to correct, modify or update this statement at any time in its sole discretion.

#### 1. Copyright Notice

Secure1475 owns the copyright in all materials on the relevant pages of the Website or, together with the provider of the materials on the relevant pages of the Website, owns the copyright or license to use the materials on those pages. No part of the contents of this website may be copied or mirrored on servers not owned by Secure1475 without the expressed, written permission of Secure1475.

The domain names, trademarks, text, visual and audio content, graphics

and images contained on this website are protected by trademark and copyright laws. They may not be copied or transmitted in any form by any enterprise or individual without the express prior written permission of Secure1475. Any unauthorized use of this website will violate the Copyright Law of Singapore, the Trademark Law of Singapore and other relevant laws and regulations, as well as the provisions of relevant international conventions.

## 2. Protect the user's right to information and privacy

We respect the privacy of our users, and we will not actively collect user information or disclose content that is suspected of violating user privacy without the consent of the user. We do not sell or provide to any third party any username, email address, information, or address that we may have as part of our services without the user's permission.

Secure1475 will not publish or disseminate any of the User's information registered on the Site, with the following exceptions.

1. pursuant to a decision or ruling of a court, arbitral body, or other judicial proceeding.
2. as required by the relevant government authority.
3. the user violates the terms of use or has other actions that are detrimental to the interests of the mining leasing platform.
4. Other requirements of relevant laws and regulations.

If the user wishes to use the services provided by the Website which

require registration, they shall agree to the following: to provide true, correct, current, and complete information about him/herself as prompted by the service registration form of the Website, and to update the registered information from time to time to ensure that it is true, correct, current and complete. If the user provides any false, inaccurate, outdated, or incomplete or misleading information, or if this website has reason to suspect that the aforementioned information is false, inaccurate, outdated or incomplete or misleading, this website has the right to suspend or terminate the users account and refuse the use of all or any part of the services provided by this website, both now and in the future.

### 3. Trademark and Domain Name Declarations

Secure1475 website ([www.secure1475.com](http://www.secure1475.com)) are either registered trademarks or legally licensed trademarks of Secure1475 in Singapore or other countries, and may not be used in any manner without the written authorization of Secure1475. The domain name of the website is owned by Secure1475. Any use by any entity or individual is prohibited without written authorization from Secure1475.

### 4. Website links to

If the user wishes to link to this site, please contact us; links to this site may be made only with the written permission of Secure1475. After a

link has been established, permission to link may be revoked if, in the reasonable opinion of Secure1475, the link is no longer appropriate.

When linking to this Site, please be sure to use text links (the use of Secure1475 graphics and text is prohibited without the written permission of Secure1475); links to this Site should be set to appear in a separate window and not within the frame of the linking party's site.

#### 5. Disclaimer of Liability

The User understands and agrees that in no event shall the Miner Leasing Platform be liable for the following.

- (1) Losses on transactions.
- (2) Trading profits or contract losses.
- (3) Business interruption.
- (4) Loss of information.
- (5) Damage or loss of data.
- (6) The demise or withdrawal of computing power from the market.
- (7) Losses due to policy factors.
- (8) Losses due to force majeure.

Since its inception, Secure1475 has been committed to serving the mining industry, providing miners with a full range of services, from mining machine procurement, maintenance, mine deployment, and revenue exchange, etc. The Cloud Mining Service has grown from an

internal operation to an official operation today. From its inception to its official operation today, Cloud Power Mining Service is based on the investment philosophy of 'rejecting partial distribution of profits and transparent operation of computing power,' and this innovation aims to build the world's best computing power service platform for users. To provide quality, algorithmic trading services to maximize the profits of our supportive friends and clients.
